Vero Software Licence Replacement Claim Form

This form should be completed if you wish to make a claim to replace your Vero Software Licence. Once completed the form should be signed by an authorised individual within your company or organisation and returned to the above address for the attention of the Vero Technical Support Team who will then process the claim. Please note that an administration charge is made for generating a new software licence, at the original software level, for customers who do not hold a current 'Advantage' support and maintenance plan.
